Rossell Techsys Continues Record Growth with Strongest-Ever Q1 Performance

- **Total Income for Q1 FY25-26 up 94% YoY**
- **Profit After Tax stood at ₹297.74 lakhs for the quarter.**

14th August 2025, Bengaluru: Rossell Techsys Ltd. (ROSSTECH), one of India's leading providers of high-reliability engineering and manufacturing services to global aerospace and defence OEMs, today announced its strongest first-quarter performance in company history, driven by robust order execution and new customer acquisitions.

For Q1 FY25-26, the company reported **Total Income of INR 8,829 Lakhs**, a **94% increase** compared to the same period last year. **Profit After Tax** stood at **INR 297.74 Lakhs**, a turnaround from a loss of INR 447.37 Lakhs, an improvement of INR 745.11 Lakhs. This robust performance was fuelled by the successful execution of its strong order book and the addition of new strategic customers.

Over the past two years, Rossell Techsys has achieved significant momentum, expanding its client base across geographies and industry domains. The company serves multiple Global Fortune 1000 organizations in the aerospace and defence sector, delivering high-reliability solutions for mission-critical programmes worldwide.

*"The aerospace and defence sector typically experiences softer first quarters, making this milestone particularly gratifying," said **Rishab Gupta, Managing Director, Rossell Techsys Ltd.** "This performance underscores the strength of our long-term vision, operational discipline, and deep customer trust. With a solid pipeline and strong partnerships, we are confident of maintaining this growth momentum through FY25-26 and beyond."*

Q1 FY25-26 Financial Snapshot

- Total Income: INR 8,829 lakhs (↑ 94% YoY)
- Profit After Tax: ₹297.74 lakhs
- EPS (Not annualised) of Rs. 0.79 for the quarter

Strategic Alignment and Geographic Expansion

Rossell Techsys' growth strategy remains closely aligned with evolving market trends in the defence and aerospace industry. The company's advanced interconnect solutions and high-reliability technologies support both indigenous development and global platforms. The company has expanded its global footprint with significant customer engagements in Europe, India, and Israel. Leveraging cutting-edge

engineering expertise, a high-performance culture, and an integrated global supply chain, Rossell continues to drive operational excellence and customer value.

Backed by multi-year contracts with leading global OEMs and a healthy pipeline of new opportunities, Rossell is actively advancing technology adoption, participating in emerging defence programmes, and strengthening its role in global supply chains. The company continues to invest in manufacturing capacity, workforce skill enhancement, and R&D, ensuring it remains future-ready in a competitive global market.

About Rossell Techsys Ltd -

Rossell Techsys Ltd. (BSE / NSE: ROSSTECH) is a leading Indian aerospace and defense company specializing in high-reliability engineering and manufacturing services. The company partners with global OEMs to deliver mission-critical solutions across a range of sectors.
